Dear Mr. Lusk:

Congratulations, the San Antonio River Authority (SARA) has identified the Clean Rivers Program Steering Committee as a stakeholder for the *San Antonio River Basin Environmental Advisory Committee*. We are seeking nominees from your organization to be considered for appointment on the committee. Should your nominee be selected he or she would serve as a representative on the committee. The purpose of the advisory committee is to serve as the comprehensive public participation group that reviews and provides input on various environmental studies and programs at SARA. In addition, the committee will advise the SARA Board of Directors about environmental issues within the basin. We energized about the formation of this committee, as well as, its long lasting effects on policy at SARA and hope your organization considers nominating a candidate.

SARA believes combining the public input groups from the various environmental studies and programs into one broader committee will help bring together various individuals representing specific environmental issues and expertise within the region to assist the SARA Board of Directors develop sound, well-thought out environmental policies and programs. Additionally, the SARA Board of Directors will use this committee as channel to pass along information to the community about various environmental studies and programs at SARA.

Enclosed is the Advisory Committee overview document, detailing the committee's purpose, membership, order of business, and additional information; plus the nomination form which is also available on our website at [www.sara-tx.org](http://www.sara-tx.org). Nominations are due by November 3, 2006 and may be emailed to [ypineyro@sara-tx.org](mailto:ypineyro@sara-tx.org) or mailed to San Antonio River Authority, Attn: Ylda Pineyro, Community and Intergovernmental Relations Department, P.O. Box 839980, San Antonio, Texas 78283. If you have questions contact Ylda Pineyro at (210) 302-3287. We look forward to your nomination.
