SARA TO HOST ENVIRONMENTAL ADVISORY COMMITTEE MEETING ON MARCH 10

(SAN ANTONIO) – The San Antonio River Authority (SARA) will host the Environmental Advisory Committee public meeting on Friday, March 10, 2017 from 10:00 a.m. to 2:00 p.m. The meeting will be held at the Karnes City Lodge, located at 390 US-181, Karnes City, TX 78118. SARA encourages active citizen participation in support of the Texas Clean Rivers Program (CRP).

The meeting agenda presentation topics includes:

- Clean Rivers Program Steering Committee Update
- USGS West Side Creeks Study
- AgriLife Research Lower San Antonio TMDL Implementation Plan
- SARA Stormwater Monitoring Efforts
- Open discussion

The Texas Clean Rivers Act established a way for citizens of Texas to participate in building the foundation for effective statewide watershed planning activities. Each CRP partner agency has established a steering committee to set priorities within its basin. These committees bring together the diverse interests in each basin and watershed. Steering committee participants include representatives from the environment, academia, business & industry, bay & estuary, agriculture, and recreational groups.

###

The San Antonio River Authority (SARA) was created by the 45th Texas Legislature on May 5, 1937 and reorganized in 1961 to plan, manage and implement water-related programs and projects within the San Antonio River Watershed. The State of Texas empowered SARA to preserve, protect and manage the resources and the ecology of the San Antonio River and its tributaries.
