

**SAN ANTONIO RIVER AUTHORITY  
 ADMINISTRATIVE AND PROPERTY USE FEE SCHEDULE  
 IN ACCORDANCE WITH POLICY NO. EO 0011**

The San Antonio River Authority (SARA) owns or controls land throughout the San Antonio River watershed, including the entire beds and banks of the San Antonio River and its creeks and tributaries. To receive authorization for temporary or permanent land use, a Land Use Application must be submitted with the appropriate fee from schedule provided below.

The completed Land Use Application is then submitted to SARA for review and may require subsequent approval from SARA’s Board of Directors. The applicant will be advised of all corresponding fees at the time of submission. All fees not defined in fee schedule below associated with temporary or permanent land use will be established and defined in Land Use Agreements.
