The San Antonio River Walk is open every day of the year. Most of the River Walk is accessible 24 hours a day from East Mulberry Avenue to Eagleland Plaza, which is between South Alamo Street and Lone Star Boulevard. However, the hours of operation for the River Walk through Brackenridge Park vary by season, with limited days available for public use. Please check the posted hours for trail use. Proper hike and bike trail etiquette is posted at the beginning of each trail.

Pedestrians:
- Be aware of your surroundings; if listening to music, keep the volume low enough to stay aware of your surroundings.
- Pick up any trash you encounter along the way.
- Be patient; the river is a living, breathing system and can change at any time.

Rider(s) on your left:
- "Rider(s) on your left," and thank them.
- Obey all traffic rules, including red lights.
- Official trail maps are available for purchase on the River Walk.
- Be patient; the river is a living, breathing system and can change at any time.

Please use caution as some hike and bike trails are marked for mountain bikes. Creek crossings can be dangerous, so please use caution.

For emergency assistance, please call 911.

The San Antonio River Walk boasts over 150,000 visitors per day and is the most visited urban riverwalk system in America. The River Walk has been designed to provide a safe, enjoyable, and accessible experience for all visitors. The River Walk features a variety of attractions, including public art installations, historic sites, museums, and restaurants. The River Walk is also home to a variety of festivals and events throughout the year. For more information, please visit the official website at www.riverwalksa.com.
