Non-motorized water craft are allowed in three areas of the River Walk. Please note, these trails are not connected and users will need to use the proper access points to move between them over land.

- River Walk between East Nueva Street and South Alamo Street, with the access point just north of East Guenther Street
- River Walk between South Alamo Street and the railroad bridge north of Lone Star Boulevard, with the access point just north of the railroad bridge
- River Walk from Lone Star Boulevard to south of Loop 410 near Mission Espada, with multiple access points along the Mission Reach

Rivers are ever-changing, dynamic systems with inherent dangers, so please remember the following safety tips:

- Inflatable boats or water craft and paddle boats are not allowed.
- Make sure your paddling skills are equal to the water conditions and proceed at your own risk.
- Paddle with at least one other person.
- Know your limits of swimmers rescue and self-rescue on rivers.
- Tell someone not paddling with you of your paddling plan and stick to your plan.
- Make sure your equipment is in proper working order.
- Check weather and river conditions prior to paddling.
- Always wear a properly adjusted, Coast Guard approved personal flotation device and bring a whistle or other sound producing device for use in emergency situations.
- Reduce injuries by wearing protective footgear and carrying drinking water, sunscreen and insect repellent.
- Pack out your trash to help preserve the river; no glass or styrofoam containers.
- Please do not feed the wildlife and keep your pets on a leash.

The San Antonio River Walk is open every day of the year. Most of the River Walk is open 24 hours including from East Mulberry Avenue to Eagleland Plaza, which is between South Alamo Street and Lone Star Boulevard. However, the hours of operation for the River Walk through Brackenridge Park, between East Hildebrand Avenue and East Mulberry Avenue, are 5:00 a.m. to 11:00 p.m., and the Mission Reach section of the River Walk (south of Eagleland Plaza) is only open from dawn to dusk as a natural area.

Please use caution as some hike and bike trails and paddling trails may become closed for repairs or maintenance. Additionally, please use caution during and immediately following inclement weather conditions as some hike and bike trails and paddling trails, particularly along the Mission Reach section of the River Walk, may become temporarily impaired due to heavy rains and high water.

For emergency assistance, please call 911. For non-emergencies, please call 210-207-7273.
