On July 9, 2018 the San Antonio River Authority hosted a Pre-Submittal conference to provide information and clarification for the Request for Qualifications #00127 Sustainable Stormwater Services. Below is a list of questions that were asked at the pre-submittal conference. SARA's official response to questions asked is as follows:

QUESTIONS SUBMITTED AT THE PRE-SUBMITTAL CONFERENCE:

- Question 1: Is the vendor information forms required for the prime and subcontractors?
Response: The vendor information form will be required solely for the prime contractor, but the same information may be provided for the subcontractors.
- Question 2: What design aspects will the awarded vendor be required to provide?
Response: GI/LID design work for priority area/hot spots, SA Tomorrow Regional Centers, and others. Design work can also include future projected development with current design standards to compare to a development that incorporates alternative design standards with incorporate GI/LID.
- Question 3: Are the stormwater hot spots a part of the master planning?
Response: Hot spot or water quality priority area identification can be part of multiple projects SARA is working on including the Green Stormwater Infrastructure Master planning project.
- Question 4: How many awarded vendors are anticipated?
Response: SARA plans to award one vendor, but reserves the right to award to multiple vendors
